

Telecommunications Providers

AT&T - BellSouth

1-888-327-1900

www.att.com

AT&T Inc. is the largest communications holding company in the United States and worldwide, by revenue. Operating globally under the AT&T brand, AT&T is recognized as the leading worldwide provider of IP-based communications services to businesses and the leading U.S. provider of wireless, high speed Internet access, local and long distance voice, and directory publishing and advertising services. As part of its "three screen" integration strategy, AT&T is expanding video entertainment offerings to include such next-generation television services as AT&T U-verseSM TV.

The merger of AT&T and BellSouth, along with the ownership consolidation of Cingular Wireless and YELLOWPAGES.COM, will speed convergence, competition and continued innovation in the communications and entertainment industry, creating new solutions for consumers and businesses. AT&T continues to build on the heritage of its predecessor companies that have served customers for more than a century. The new AT&T will earn customer trust and loyalty with a continuing commitment to the deployment of innovative products and services, reliable, high-quality service and excellent customer care.

Charter Business
